

SOA Seoul ^{'26} Seminar

Venue: Hotel President, 16, Eulji-Ro, Jung-Gu, 04533 Seoul South Korea

The Society of Actuaries is organizing the 2026 [SOA Seoul Seminar](#) in collaboration with the Institute of Actuaries of Korea (IAK) as supporting partner on 18th Sept. 2026.

Seasoned speakers from South Korea, Hong Kong, Singapore, Malaysia and Taiwan will share the topics including:

- Insurance Product Trends in Korea: From Past to Future
- Emerging Trends of Dementia Products
- Navigating the Insurance Landscape Under IFRS 17 and K-ICS: Addressing Key Challenges
- Internal Reinsurance
- AI in Actuarial Practice: Hype, Reality, and What Comes Next
- How to adopt AI Vibe Coding Technology to the actuarial modeling?
- Panel discussions
- SOA General Insurance Community updates

This seminar will provide a learning and networking platform for participants to mingle with industrial experts, sponsors, and practitioners in the South Korea region and Asia. Latest SOA news will be shared. The SOA welcomes all levels of actuaries and professionals to participate in this comprehensive program.
